

Instrument Projects for Music Appreciation

1. Work solo or with a group up to 2.
2. Use a laptop or your device.
3. Pick one of the following areas we recently studied: **Flute, Piccolo, Clarinet, Oboe, Bassoon, or any Saxophone instrument.**
4. Using your device or laptop provided, create a google slide project.
5. On each slide make sure to include the following concepts:
 - A. Name, Music Appreciation, which class period you are in
 - B. Instrument chosen with picture
 - C. Main parts of the instrument
 - D. List any three things about the instrument that you learned and did not know before
 - E. Research people / bands that perform on this instrument / role on your own. Do not use people we have already discussed. You may use your earbuds to listen to various groups to come to this decision.
6. Share your final project to Ms. Miller : Heather.Miller@henry.k12.ga.us

Rubric : Each area is worth 20 points. No late projects will be accepted.
